Enchanting executive family home

You will love the numerous features of this immaculate, renovated home including the all-day sun, the outlook, the functionality of its design along with the luxuries and convenience of a modern home.

The 5 bedrooms, 2 bathrooms & double garage is perfect for you and your family while the expansive open plan living flows seamlessly to the private outdoor patio and decking area

The designer kitchen with its durable stone top & breakfast bar is the heart of the home, enabling you to create magical food, chat with family and friends and watch the children play, all at the same time.
